Announcing:

An Introduction To Crayfish Workshop

Pinnacle Career Institute

11500 N. Ambassador Dr. Suite 221

Kansas City, MO

Saturday, August 21, 2010

9:00 a.m. - 4:00 p.m.

The **Stream Team Academy** is proud to announce the next Stream Team training workshop, *An Introduction to Crayfish*. This workshop will cover the identification, life history, and ecology of many Missouri species. The workshop will include a lecture and a lab portion during which we will concentrate on crayfish identification skills using a dichotomous key. The workshop is suitable for anyone ages 12 and up (children must be accompanied by an adult).

Everyone registered will receive a copy of the book *The Crayfishes of Missouri* by William L. Pflieger as well as other educational materials. The workshop will begin at 9:00 a.m. on August 21st and conclude by 4:00 p.m. The workshop will be held at Pinnacle Institute's North Kansas City location.

If you are interested in attending this workshop, log on to www.mostreamteam.org/crayfishreg.htm, call 1-800-781-1989 (voice mail), or e-mail chris.riggert@mdc.mo.gov, by **August 6th**. Course size is limited; seats will be filled on a first-come, first-served basis. You will receive a letter of confirmation that contains detailed information about the class after you register.
