Action Needed to Help Streams

Stockton Lake Federal Lands Cleanup Day

September 10, 2011

8:00 a.m.

Volunteers needed!

Location:

Cedar Gap Shelter, Stockton Lake

Federal Lands Cleanup Day is a nation-wide event where concerned citizens show support for our federal lakes and parks by volunteering their services to remove litter that has accumulated during the recreation season.

- ◆ **8 a.m.** Meet at Cedar Gap Shelter next to the Senator Christopher "Kit" Bond Administration Building near the dam.
- ◆ There will also be a food drive in conjunction with the lake cleanup to benefit the Ozarks Food Harvest, the Food Bank, and Joplin tornado relief. Anyone wishing to participate in the food drive should bring a non-perishable food item to the lake cleanup. If you are unable to participate in the cleanup, food items may also be dropped off at the Stockton Lake Project Office Monday through Friday, 7:30 a.m. - 4:00 p.m.
- ◆ For more information and registration, please call the Stockton Lake Project Office: 417/276-3113.

We thank you for any interest you may have in this important endeavor and hope to see you on **Federal Lands Cleanup Day!**
