

Volunteer Water Quality Monitoring Level 3

The Volunteer Water Quality Monitoring Program is looking for more level 3 candidates. Spring will soon be here and the weather will be just right to spend a day at your site proving your skills in a relaxed atmosphere. The proficiency you will demonstrate will give your data submissions that much more validity. I realize spring is a busy time of year for everyone, I am available weekdays or weekends.

If you are interested in scheduling an audit contact Wayne Maresch at wayne.maresch@dnr.mo.gov or 660-438-2805
