NAME \_\_\_\_\_

Her Royal Highness, Lady Lotta Litterbags, always picks up litter during her summer vacation at Stream Team Creek. Can you do the same?

Can you help Lady Lotta Litterbags find her litterbag?

Maze answer on back page.

Farmer Seymour Clearwater doesn't let his cattle walk through Stream Team Creek. He uses a solar-powered pumping system to water his cattle.

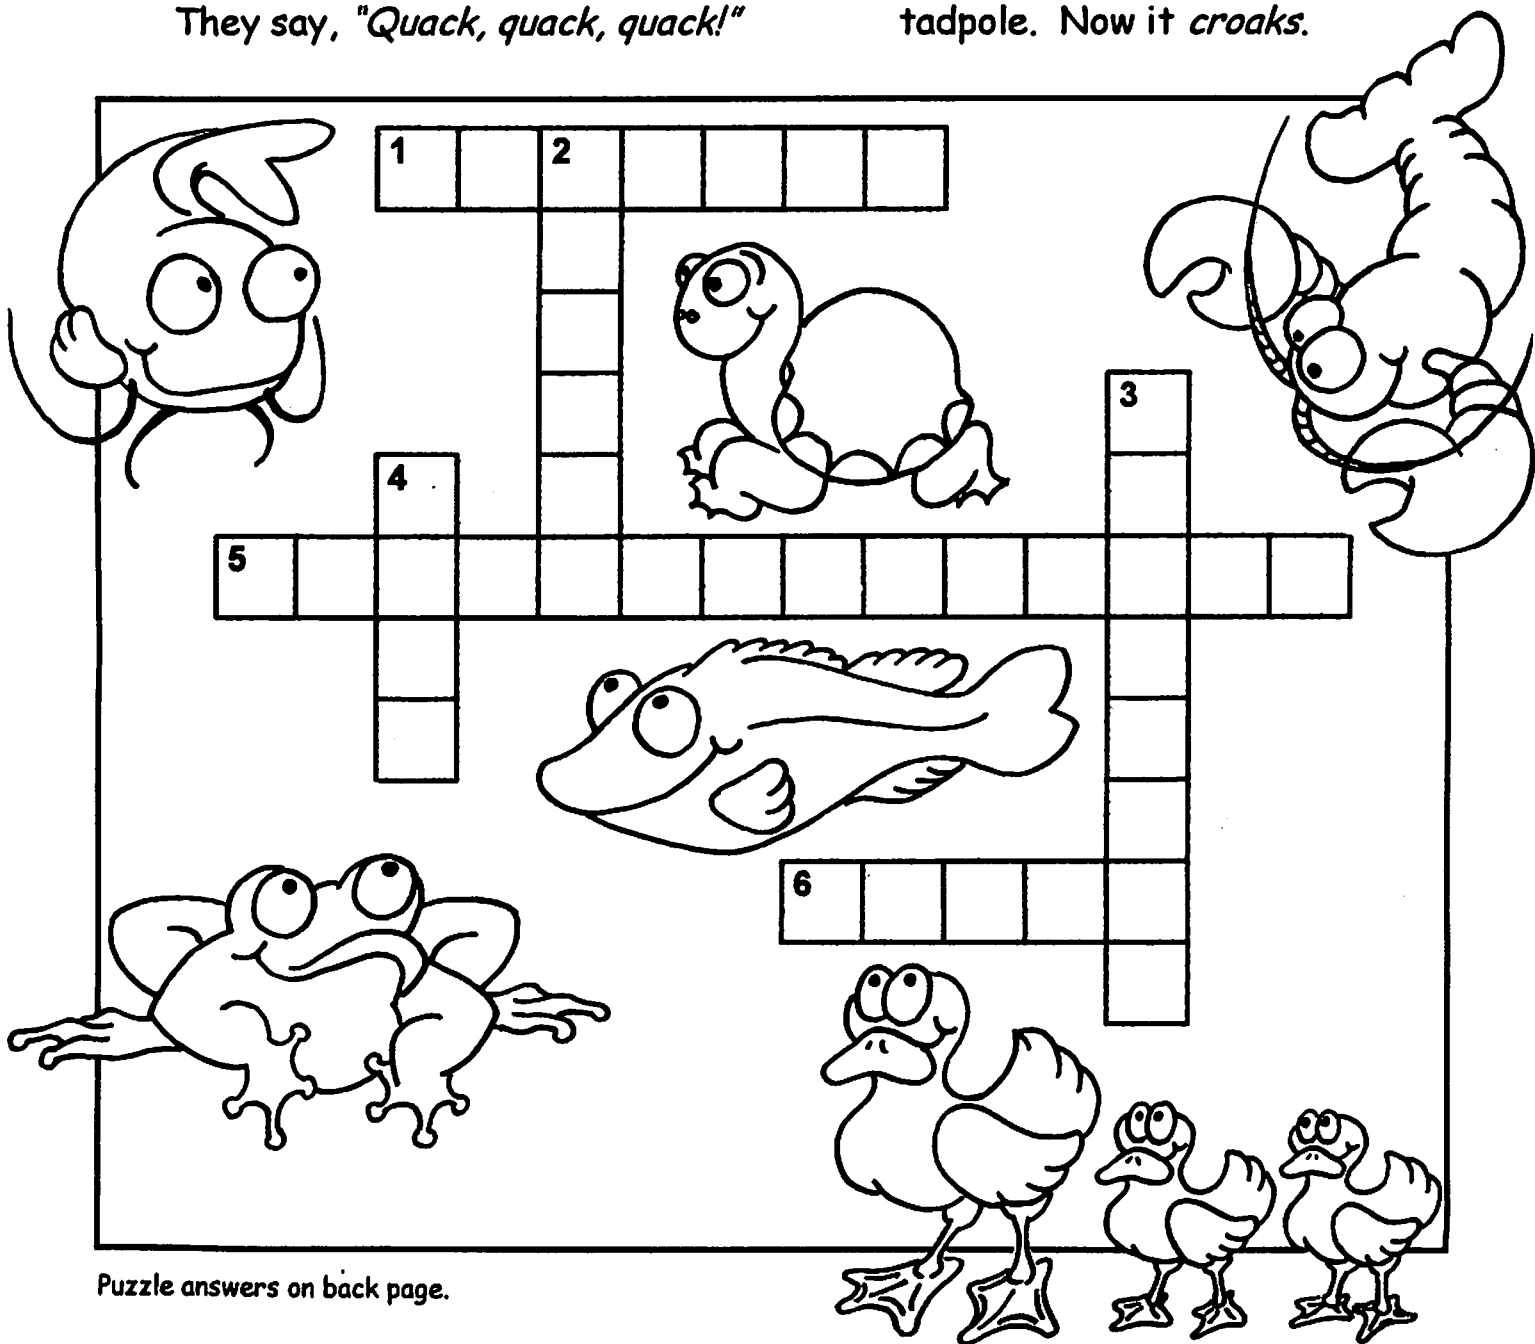

# What kinds of clean-water critters did Farmer Seymour Clearwater find in Stream Team Creek?

## ACROSS

- This fish is a bottom-feeder. It has *whiskers*.
- This fish is a type of bass. It has a *big mouth*.
- These birds can swim. They say, "*Quack, quack, quack!*"

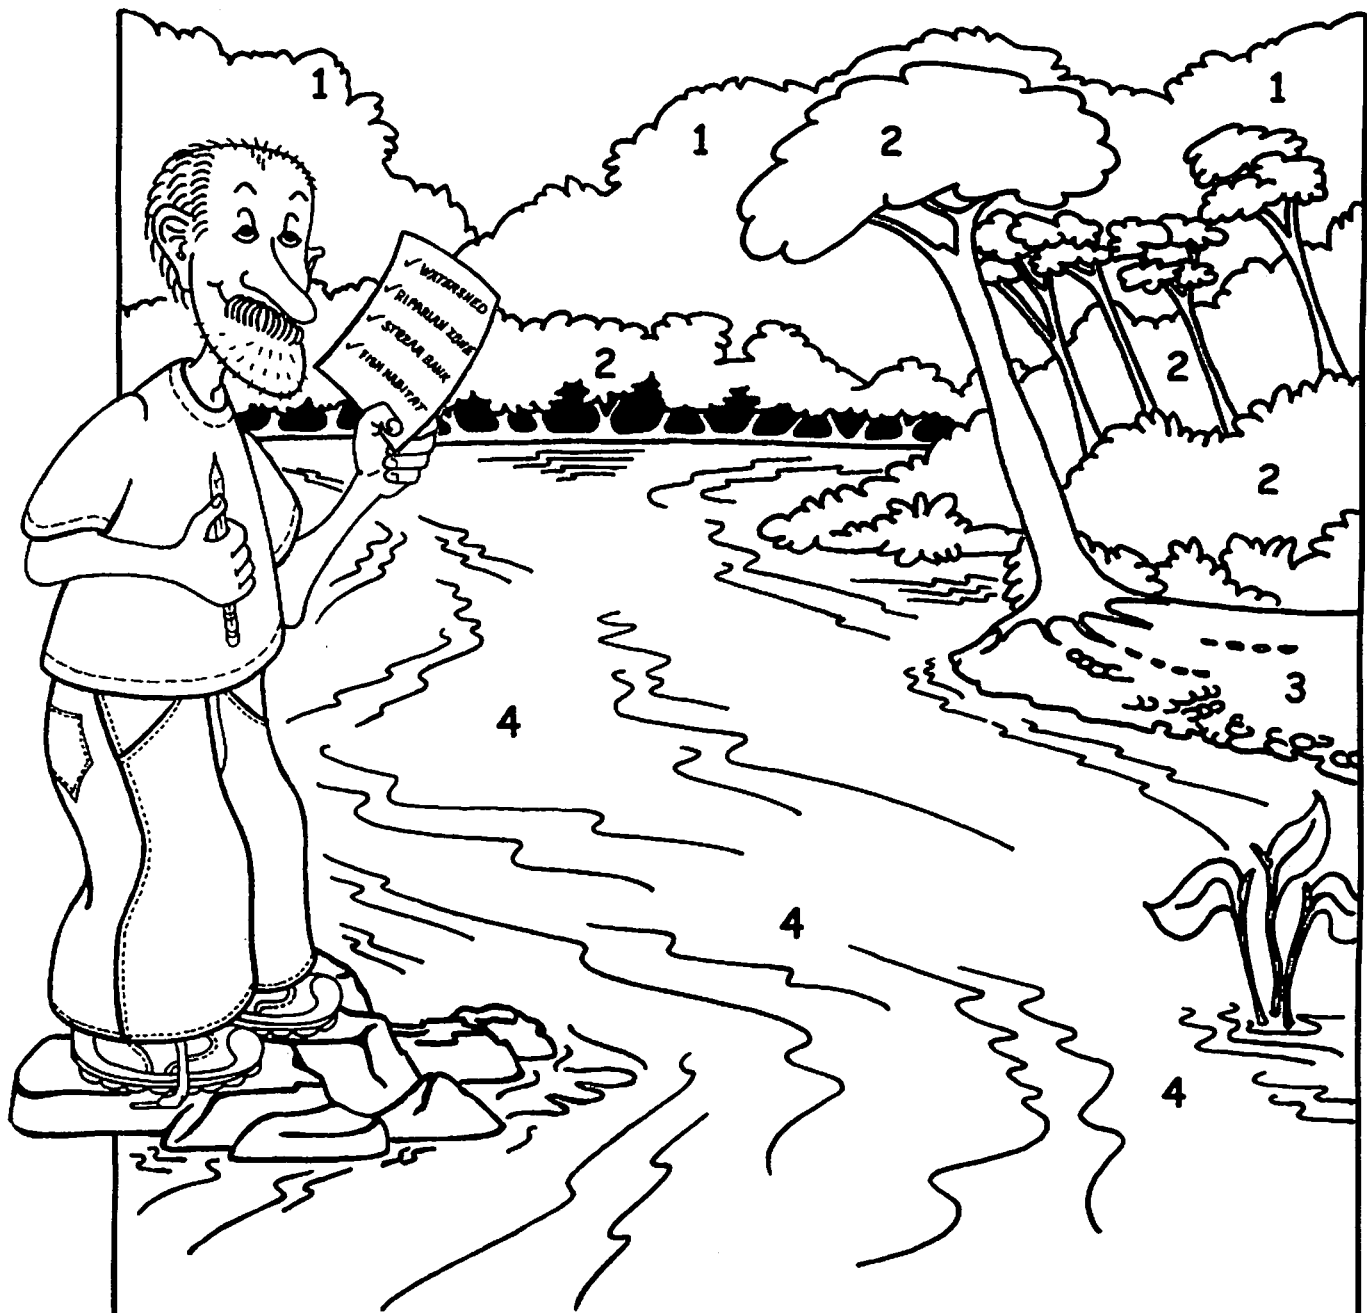

## DOWN

- This reptile is very *s-l-o-w*. Its home is on its back.
- This crustacean swims backwards. It has *big pinchers*.
- This amphibian was once a tadpole. Now it *croaks*.

Can you help Mr. I. C. Moorefish with his Inventory Form?  
Identify and color four areas of Stream Team Creek.

1. WATERSHED--surrounding land that drains into a stream (1=dark green)
2. RIPARIAN ZONE & FLOODPLAIN--land next to a stream (2=light green)
3. STREAM BANK--sides of a stream (3=tan)
4. STREAM CHANNEL & FISH HABITAT--riffles, pools, & water plants (4=blue)

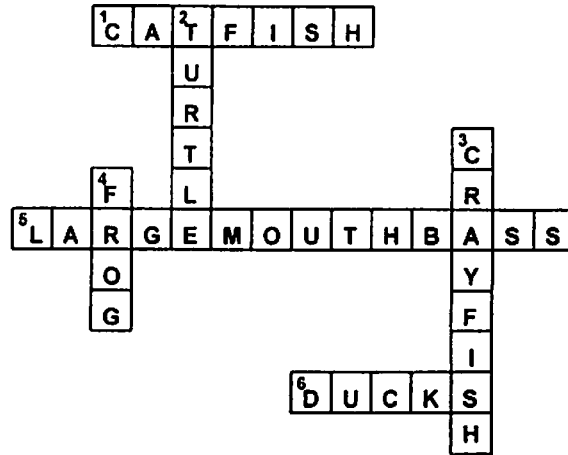

Mr. I. C. Moorefish conducts an inventory of Stream Team Creek once every year. Can you and your TEAM fill out an INVENTORY FORM for your adopted stream?
